## Larger than Life

It has been five years since Maddy Otto, a little girl heading into kindergarten at Jockvale Elementary School, passed away suddenly at Roger's House just a few days after being diagnosed with an inoperable brain tumour. Maddy's family – her mother Jeanine, her father Dean, and her sister Hannah – have created an incredible legacy for her. With the annual Maddy's Gala event coming up Sat., Feb. 11, the Otto family and their friends will have raised close to \$200,000 for Roger's House in Maddy's memory. For more, see page 10-11, and see the ad for Maddy's Gala on the back page.
